Electrical Lines

www.mepi.com

- Uninterruptible Power Supplies
- * 1 Phase 6 to 12 kVA
 - * 3 Phase Mid-level Systems 10-225 kVA
 - * 3 Phase Large Systems 300 to 2000 kVA

Industrial Plugs & Receptacles
www.meltric.com

- * Switch Rated
- * Motor/HP Ratings
- * 20 Amp to 1000 Amp
- * Multi Pin Connectors
- * Hazardous Duty
- * Shutter Dead Front Eliminates Arc Flash Exposure

Powering Business Worldwide

Suppression & Power Management
powerquality.eaton.com

- *Surge Suppression, DC Power Solutions, Power Management
- *Monitoring & Protection Systems, Voltage Stabilization Systems, Power Factor Correction, Harmonic Cancellation
- *Surge Suppression Devices – Innovative Technology, Eaton Side Mount Integrated
- *Automatic Transfer Switches- Contractor Based. Breaker Based

Power distribution equipment, cable and generator docking stations
www.trystar.com

- *Generator Docking Stations
- *Emergency LightingInverters
- *Power Conditioning
- *Dual-Purpose Generator Docking Stations
- *Triple Breaker Docking Stations
- *Manual Transfer Switches
- *ATS (Automatic Transfer Switches)
- *Company Switches
- *891 Switchboards
- *Loadbanks
- *Uninterruptible Power Supplies

New Standard for Continuous Power
www.hitec-ups.com

- *Rotary UPS Systems: Smart, Simple, Reliable Power up to 3600kW
- * Integrated Functionality combining UPS and Standby Generator
- *No use of Batteries

Single Phase UPS and Power Distribution
www.xpcc.com

- *Single Phase UPS Systems 1-60 kVA, Isolated, Line interactive, Modular Online and Online Tower; Lithium ION, VRLA
- *Power Distribution, Slim Surge and Rack Style 15, 20, 30, 50A
- *Bypass Distribution 15, 20, 30, 63A
- *Online Voltage Regulators

A brand of legrand

Starline Track Busway System
www.starlinepower.com

- *Starline Track Busway System 40 to 1200 AMPS
- *Starline Plug in Raceway
- *Series S IP 54 for Moisture Sensitive Locations
- * Starline DC Solutions

Energy Storage Solutions
www.vyconenergy.com

- *Green Energy Storage Solution for UPS Systems
- *VDC XXT 450kW Rated, Scalable to Six Units
- Flywheel
- *Regen for Microgrid Stabilization

IT power distribution for data centers and other mission- critical facilities
www.gateview.com

- * Basic PDUs
- * Monitored PDUs
- * Switched and Outlet Monitored PDUs
- * Vertically Stackable PDUs
